Beloved, Jesus was not a religious leader. He was a righteous leader. He was often confronting the religious leaders of His day. Likewise Paul found many enemies among the religious elite of his day, among both Jews and Gentiles. After announcing his theme of *good news* in Jesus, Paul promptly plunged into the bad news of God's wrath—a subject that religious people sometimes love (but for all the wrong reasons).

Beloved, are you religious or do you possess a genuine relationship with Jesus Christ? Don't let your religion get in the way of Jesus!

Be Blessed-

Pastor Joe
