Beloved, there are always going to be people in church that you don't get along with. There are always going to be people who are part of the body of Christ that you do not agree with on certain issues.

So how do we maintain unity amidst the diversity of the Church? This is what we will cover today. There is no doubt about the relevance of this theme.

Judging one another is one of the favorite indoor sports of Christians today. But God desires that we love one another in spite of our diversity.

Remember, in essentials unity, in non-essentials diversity!

In Love,

Pastor Joe
