Beloved, each of us has broken God's Law over and over again and yet some believe that they can keep the Law. This philosophy has crept into the church and is called the Hebrew Roots Movement. Broadly speaking, followers of the HRM believe that all believers in Christ are obligated to follow Jewish laws and practices from the books of Moses.

Although they often speak of keeping the "law," they are usually inconsistent in how this is understood and defined. For example, certain laws are either broken or neglected while a great deal of attention is placed on keeping the Sabbath (Friday sunset through Saturday sunset).

The truth of the matter is that no one can keep the Law and that is why all of us need Jesus. Galatians 2:15-16 clarifies this, "We ourselves are Jews by birth and not Gentile sinners; yet we know that a person is not justified by works of the law but through faith in Jesus Christ, so we also have believed in Christ Jesus, in order to be justified by faith in Christ and not by works of the law, because by works of the law no one will be justified."

Be Blessed-
Pastor Joe
