Beloved, it was Huey Lewis and The News who sang the song, "The Power of Love." I remembered that song as I reading and studying for today's message and I realized that Paul was putting the power of love into action.

It is God's love, which has been poured out into our hearts, which allows us to love others through demonstrations of this love and to love Jesus through our obedience!

This is the power of love. It is not a pop song but a love that affects our neighbors and our walk with the Lord! That's the power of love!

Blessings,
Pastor Joe
